

Free Workshop for Business Professionals

Thursday, March 19th • 7:45 – 10:00am
Old Mill Resort at Gruene

Come Enjoy FREE Coffee, Breakfast Tacos, and Info to Help You Grow & Manage Your Business

“Growth in Numbers” events are based on the philosophy that we all grow professionally, grow much faster and leverage amazing synergy when we come together, interact, and share expertise that we know will help each other.

“Synergy is everywhere in nature. If you plant two plants close together, the roots comingle and improve the quality of the soil so that both plants will grow better than if they were separated. If you put two pieces of wood together, they will hold much more than the total of the weight held by each separately. The whole is greater than the sum of its parts. One plus one equals three or more.”

– Stephen Covey, *The 7 Habits of Highly Effective People*
